

A modern chatbot approach for accessing RIPE Database

RIPE Database is very powerful

There are
different
query
methods

BUT you need some skills ...

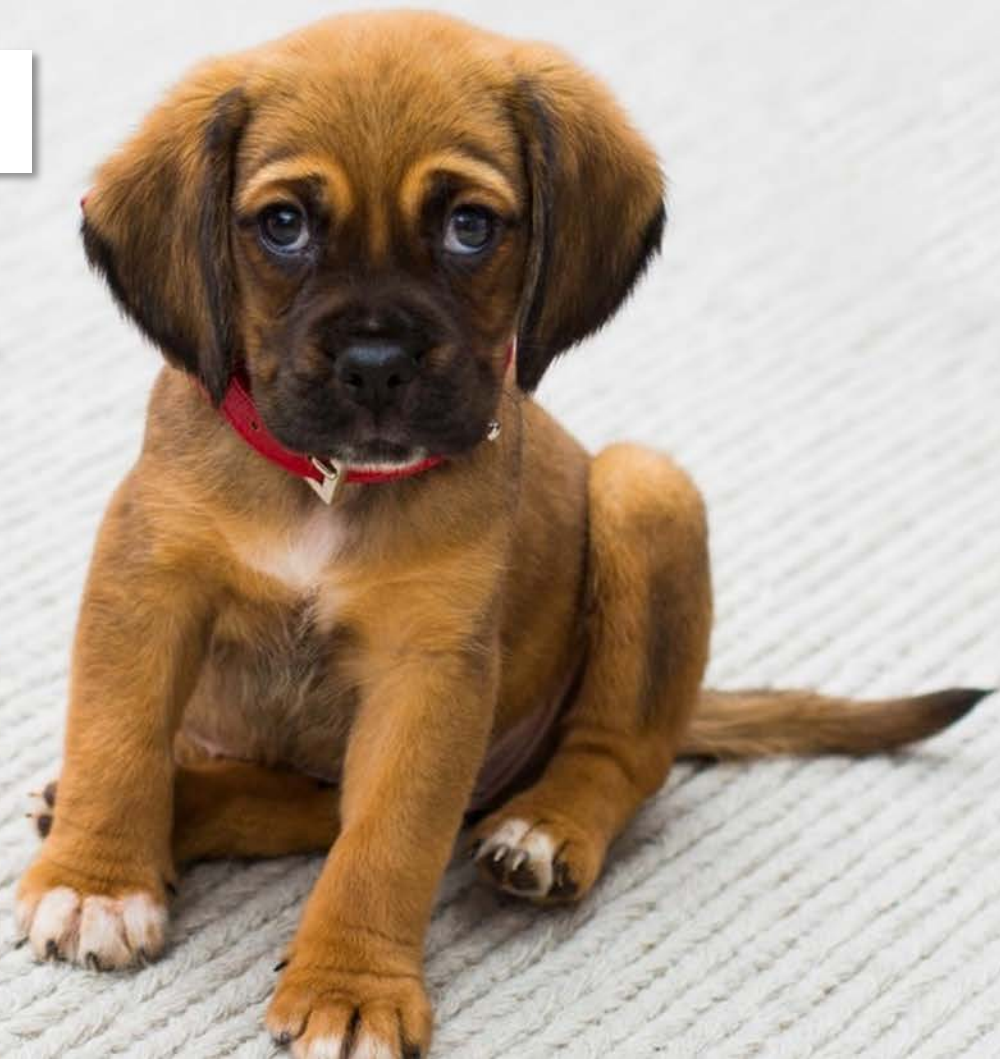

... is this really necessary?

Let's use janus.cloud
technology for simplification

EASY STREET

Hands on - examples

Just type in - what you want to know

 **LOGIN**
Lukas, Janus

What can I do for you?

JANUS | 2018-05-16 10:03 Z

what is my ip?

LUKAS | 2018-05-16 10:03 Z

 You can find your IP address on the right side.
