Global Abuse Community Updates

XARF

- **What is XARF and why do we need it?**
 - **Extensible Abuse Reporting Format.**
 - **Transport Independent**
 - **JSON based**
 - **Easy to Create – Easy to Parse**
- **What's the timeline?**
 - **We want to publish new Website before October**
 - **Launch it officially in October 2018**
 - **Move into IETF process by end of this year.**

XARF

- **Who was part of the process?**
 - **Amazon Webservice**
 - **Google**
 - **Microsoft Azure / Office 365**
 - **Abusix**
 - **About 20 more people/organizations**
- **How can I join and help?**
 - **<https://github.com/xarf/schema-discussion>**
 - **We have a Slack Channel to join and discuss.**

**If you have questions ideas, feel free to reach out
tk@abusix.com**

**GDPR is going to be a mess
from a security
and abuse perspective**

- **Working on XARF at the moment.**
- **New Abuse Desk Best Practice (Work in Progress)**
 - **Purpose Business Justification of Abuse Desks**
 - **Incident Occurrence**
 - **Enforcement**
 - **Remediation**
- **Wide Support for 2017-02**
