RIPE Meeting Principles

- Open to everyone

- Bringing people together from different:
  - Backgrounds, cultures, nationalities, beliefs and genders

- The RIPE community is a safe, supportive and respectful environment

RIPE Meeting Code of Conduct (CoC)

For over a quarter of a century, the RIPE community's strength comes from its breadth of experience, diversity of views, and an open, respectful exchange of ideas – values that we want all of our RIPE Meeting attendees to uphold.

Please treat each other with tolerance and respect. Free speech and an open exchange of ideas are encouraged and celebrated. Demeaning, intimidating or harming anyone at the meeting is wrong. We are especially sensitive to behaviour that offends based on gender, sexual orientation, religion, race or ethnic origin, or other perceived social, cultural, or personal differences.

RIPE Meeting Trusted Contacts

- Please report violations of the CoC to our Trusted Contacts

- Approach Mirjam, Vesna or Rob in person or email **trustedcontacts@ripe.net**

RIPE Accountability Task Force

The RIPE Accountability Task Force was formed in October 2016 following a presentation at RIPE 73. The Task Force will examine the structures, documentation and processes of the RIPE community to ensure they provide high levels of accountability.

Scope

The RIPE Accountability Task Force agreed to:

- Review existing RIPE community structures, documentation and processes to ensure they are accountable and in alignment with RIPE values
- Document existing RIPE community structures or processes where needed
- Identify potential gaps where RIPE accountability could be improved or strengthened
- Publish recommendations for the RIPE community
- Identify areas where communications efforts or materials may be required

The scope of the task force is limited to an examination of the RIPE community.

RIPE Chair Selection Process

- Discussion led by Anna Wilson, HEAnet
- Friday morning plenary session, 9:00-10:30
